Dear Mr. Carollo:

This is in response to your U.S. General Services Administration Freedom of Information Act (FOIA) request (GSA-2015-000018), dated October 7, 2014, in which you requested copies of all records related in any way to GSA contract GS-07F-0425Y. The contractor is Craft International LLC of Dallas, Texas.

Enclosed please find an electronic copy of contract award documents, awarded under GSA Multiple Award Schedule 84 – Total Solutions for Law Enforcement, Security, Facilities Management, Fire, Rescue, Clothing, Marine Craft and Emergency/Disaster Response awarded to Craft International LLC. GSA is redacting some portions of the documents such as Most Favored Customer (MFC) and the Government price/discount relationship, under the provisions of the fourth statutory exemption to the FOIA (5 U.S.C. 552 (b)(4)), which permits an agency to withhold trade secrets, commercial, or financial information submitted to the agency confidentially. GSA may withhold trade secrets, commercial, or financial information if release of the information would involve a substantial risk of competitive injury to a business which directly or indirectly furnished the information to GSA. Other documents withheld include Price Negotiation and Pre-Negotiation Memorandums, Open Ratings, Responsibility Determination and Financial Data. We have determined that the information we are redacting and withholding under this exemption meets this test.

In addition, GSA withheld actual signatures under the provisions of FOIA's sixth statutory exemption (5 U.S.C. 552(b)(6)), which permits an agency to withhold "personnel and medical files and similar files", the disclosure of which "would constitute a clearly unwarranted invasion of personal privacy." We have determined that the privacy interests of individuals representing offerors outweigh any public interest in the disclosure of their names and contact information.
